

## *Navigating Insurance for Immigrants*

### Introduction to Insurance in the US

Insurance helps protect you and your family from unexpected problems in the US. This guide makes it easier for you to understand and choose the right insurance.

### What Insurance Does

Insurance is like a safety net. It helps you if something bad happens, like if you get sick or lose your job. It's important for keeping your family safe and your money secure. It is important to buy insurance for what it is and not what we want it to be.

Most medical insurance plans require that in addition to paying a monthly premium to have the insurance, we also contribute financially to the care we receive when sick or injured. We will explain how insurance works so that you understand the costs associated with your care

### Health Insurance

As an immigrant to the U.S., participating in the Marketplace (Obamacare) is a great option available to you. It does not jeopardize your immigration status and provides full health insurance benefits. Many qualify for a subsidy that helps pay for the cost of health insurance. It covers doctor visits, medicine, and much more. We'll help you sign up and serve as a resource to learn how the medical system works in the U.S.

## Life Insurance

Life insurance is a way to make sure your family is okay if something happens to you. We'll explain how it works and how to get the right plan for your family. Life insurance is available to many immigrating into the U.S. You do not need to be a U.S. Citizen to participate.
